Dear Miss Rieck:

Re: Proposed boundary relocation between the  
City of Los Angeles and the City of Inglewood  
(La Tijera Boulevard and 64th Street)

At the meeting held March 31, 1956, the County Boundary Commission reviewed the map and legal description submitted with your letter filed March 12, for the proposed boundary relocation between the City of Los Angeles and the City of Inglewood.

The boundaries submitted conform with record lines; and no island or corridor of unincorporated territory is created by the boundaries. Lots 76 and 77 of Tract No. 15389 are in common ownership. Lot 77, now within the City of Inglewood, is smaller than Lot 76, which is to be included within the City of Inglewood by this proposed relocation. Therefore, this proposed relocation is a possible violation of Section 50192 of the Government Code.

The Commission approved the boundaries as submitted as to definiteness and certainty. A copy of the approved description is attached.

Very truly yours,

GORDON T. NESVIG
